**Sts. Peter & Paul
Parish Ministry Directory
Opportunities to Serve**

January 2021

Dear SPPP Parishioners,

What an exciting time it is for our parish family. The construction of our new school addition and gymnasium is progressing well. Foundations are laid ready to support walls and roofs that will shelter our children for generations to come. Signs of growth and hope abound around our parish, these are exciting times.

Our Blessed Lord calls us all to work together to help build up His Kingdom here on earth. When we work together great things will happen. When we generously share some of our time, talent and treasure not only will new classrooms be built but even more importantly, a new and better world will come about.

So many good things are happening at Sts Peter and Paul and throughout the Ottawa/Putnam County area. A parish is being built up and a community is becoming stronger. These can only happen when many good people are willing to get involved and work together.

Thank you for all you do and will do for your parish and community. May this Parish Ministry Directory not only inform of what is happening and who is doing what, but may it also inspire us to think about what each one of us can do for our parish.

If you are interested in the many ministry opportunities here at SPPP, please call the particular parishioner for more information.

These are exciting times of growth and vitality, how fortunate we are to be part of them.

Fr. Scott Kramer
